

## Developing a coaching network for Argyll and Bute

17<sup>th</sup> February 2020, 10.30am

Inveraray Inn, Inveraray

A key outcome of Argyll & Bute's Living Well Strategy is ensuring our staff are able and motivated to support the people that they see to live well. Coaching networks play an important role in this, through supporting and encouraging staff to develop person-centred skills and use these skills to aid self management and deliver person-centred care.

This event will seek input from HSCP and 3<sup>rd</sup> sector staff on how best to develop a coaching network for Argyll and Bute. The day will provide an overview of previous work within Argyll and Bute, followed by workshops focusing on developing a coaching network for Argyll and Bute.
